ALLOWANCE

Drawings

1. The objection to the drawing is withdrawn due to Applicant's amendment. The replacement drawing of Figure 1/1 was received on 12/17/07. This drawing is acceptable.

Specification

2. The replacement paragraph 023 is acceptable. No new matter was added.

Allowable Subject Matter

3. Claims 11-19 are allowed.
4. The following is an examiner's statement of reasons for allowance: The prior art neither anticipates nor renders obvious a machine tool transmission as claimed in independent claims 11 or 19, specifically wherein the combination of limitations includes the amended limitations of the gasket.

The closest prior art is as detailed in the previous office action.

Applicant's arguments were persuasive and the amendment to the claims overcome the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
